SHOW LAMB FEEDS

QUICK REFERENCE GUIDE

MoorMan's® ShowTec® . . .

HELPING OUR EXHIBITORS GAIN THE COMPETITIVE EDGE THROUGH SUPERIOR FEED TECHNOLOGY.

ADM Alliance Nutrition® is the market leader in producing quality show products, which can help show lambs dominate in the show ring. Our many Grand Champions know feeding MoorMan's ShowTec products gave their show animals an advantage over the competition.

Championship performance through feed technology is the signature of MoorMan's ShowTec lamb feeds. The proven ShowTec feeding program uses the latest feed technology to provide the correct balance of protein, vitamins, and trace minerals to help your show lambs reach their peak genetic and presentation potential.

MoorMan's ShowTec Lamb Creep DC 11153AE

ShowTec Lamb Creep DC is designed to meet the exceptional needs of growing and blooming young show lambs. Nutritionally balanced with the perfect combination of vitamins, minerals, and ingredients to creep genetically superior show lambs.

Features

- Provides 20% crude protein, 5% fat, and 12% fiber
- Newest cold pelleting feed technology for optimal growth and intake
- Properly fortified with vitamins and trace minerals for young show lambs
- Medicated with decoquinate (Deccox®*), 6.8 mg/lb
- 1/8" mini-pellet for more efficient feeding
- Highly palatable with optimal levels of lactose for better growth

ShowTec Lamb Creep DC must be fed at the rate of 0.033 lb per lb of body weight (3.3 lb per 100 lb of body weight) to young lambs from 7 days of age until weaning.

MoorMan's ShowTec 15.5 Lamb DC 11157AM

ShowTec 15.5 Lamb DC is a nutritionally balanced base ration for wethers and ewes being fitted for show. When fed in conjunction with #1 Mineral Supplement, this texturized ration will assure peak growth performance of young show lambs.

Features

- Provides 15.5% crude protein, 3% fat, and 10% fiber
- Properly fortified with vitamins and trace minerals for show lambs
- Medicated with decoquinate (Deccox), 7.56 mg/lb
- Premium texturized quality for more efficient feeding
- Highly palatable with optimal levels of protein that delivers proper growth in show lambs

Feeding rate of 15.5 Lamb DC should be 3% of the lamb's body weight. For example: feed 2.25 lb to 75 lb lamb, 3 lb to 100 lb lamb, 3.75 lb for 125 lb lamb, or 4.5 lb for 150 lb lamb.

MoorMan's ShowTec 18 Elite Lamb BT 11317AM & DC 80939MPS

ShowTec 18 Elite Lamb is a nutritionally balanced base ration for wethers and ewes being fitted for show.

Features

- Provides 18% crude protein, 2.5% fat, and 4.5% fiber
- Properly fortified with vitamins and trace minerals for optimal growth
- Available with lasalocid (Bovatec®*—15 mg/lb) or decoquinate (Deccox—7.56 mg/lb)
- Premium texturized quality for more efficient feeding
- Highly palatable with optimal levels of protein for better growth
- Formulated at 18% protein as a one product option for situations where a quicker deposition of lipids and muscle is needed in growing lambs

Feeding Rates

BT product – Feed lambs 1 to 4 2/3 lb of 18 Elite Lamb BT per head daily depending on body weight. Two parts 18 Elite Lamb BT may be mixed with one part other feeds (grain and/or roughage) and the mixed ration fed at 1 1/2 to 7 lb per head daily.

DC product – Feed at the rate of 3 lb per 100 lb body weight daily. For example: feed 2.25 lb to 75 lb lamb, 3 lb to 100 lb lamb, 3.75 lb for 125 lb lamb, or 4.5 lb for 150 lb lamb.

Note: See product label for complete feeding instructions.

MoorMan's ShowTec Fast Fat 11156

A conditioning supplement for lambs, calves and goats. Fast Fat can be fed during any phase of the feeding period to achieve desired body condition. Fast Fat is designed to put a smooth finish on livestock and supply energy to the diet of animals being hauled and shown.

Features

- Provides 10% crude protein and 5% fat
- A conditioning supplement formulated for lambs, calves, and goats being fitted for show
- Properly fortified with vitamins and trace minerals for optimal finish and condition
- Feed as a top-dress; available in mini-pellet form in 50 lb bag (11156AE); non-medicated

Top-dress rations for thin or stressed livestock with Fast Fat at a rate of 8-16 oz per 100 lb body weight per head daily.

MoorMan's ShowTec RumaFill™ 81080AAA

RumaFill is a high-fiber (25.5% fiber) supplement for show ruminants. RumaFill is formulated to provide roughage ingredients, such as beet pulp, to create a "full look" and enhance expression. It should be used for holding situations when the show lamb's "full look" and "capacity" needs to be maintained on restricted intake of complete show feed or complete grain mix. RumaFill is available in mini-pellet form. Feeding rate is 0.5-2 lb/head/day for show lambs weighing more than 70 lb.

MoorMan's ShowTec FIRE EXTINGUISHER™ R 81480AAA

Unique top-dress supplement in mini-pellet form.

Features

- Provides 14.5% crude protein, 3.5% fat, and 16% fiber
- Provides research-proven Thermal Care™ R which may help ruminants overcome the negative effects of heat stress
- Provides CitriStim®, an ADM proprietary feed ingredient
- Provides a direct fed microbial and ammonium chloride
- Contains complexed (organic) zinc and cobalt
- Contains thiamine, B-complex vitamins, vitamins A, D and natural-source E
- Available in mini-pellet form in 25 lb pail and 50 lb bag

Feed 1.5 oz per 50 lb body weight to show lambs when heat stress may be a challenge.

Refer to product labels for complete feeding directions and warning/caution statements.

MoorMan's ShowTec #1 Mineral Supplement 11159

A protein fortified mineral supplement for all species of ruminant show livestock.

Features

- Provides 25% crude protein and 1.5% fat
- Properly fortified with vitamins, protein, and trace minerals for optimal growth; contains Prospanse® yeast
- Highly palatable with optimal levels of multiple protein sources
- Available in processed meal form in 50 lb bag (11159AA); non-medicated

Top-dress rations for lambs with #1 Mineral Supplement at a rate of 2 oz per 100 lb body weight per head daily with a minimum consumption of 2 oz per head daily.

#1 Mineral Supplement should be fed during the entire feeding period to provide essential vitamins and minerals for maintenance and growth. #1 Mineral Supplement will elevate dietary protein levels when added to ShowTec base rations.

FAST FUEL™

11850AAA26 Accelerating Power to Win™

Unique, mini-pelleted, non-medicated, top-dress supplement containing nutrients believed to be beneficial to performance of exhibition livestock. **Fast Fuel gives Exhibition Livestock the "Finishing Touch" for a Championship finish.**

Features

- Top-dress 4 oz/head/day for show lambs
- Provides octacosanol from wheat germ
- Contains stabilized rice bran
- Provides natural-source vitamin E, Prospanse yeast supplement, methionine, cobalt glucoheptonate, vitamin B12, and thiamine
- Non-medicated; available in 25 lb bag

MoorMan's ShowTec Natural Fit™ 81526AAA

Build muscle dimension and shape.

Features

- Provides 40% crude protein, 3.5% fat and 14% fiber
- Provides ADM patent-pending and proprietary feed ingredients
- Designed to be fed with MoorMan's ShowTec complete ruminant show feeds
- Available in mini-pellet form in 25 lb bag (81526AAA6)
